One Lake - Six Highlights

Your perfect day trip in Carinthia

Bergbahnen Gerlitzen Alpe

With the Kanzelbahn and Gipfelbahn, you effortlessly ascend from lake Ossiach into a mountain world at an altitude of 1,911 meters in just thirty minutes. At the summit, a breathtaking 360-degree panorama awaits, along with picturesque hiking trails, nature experiences, and an adventure arena for young and old alike.

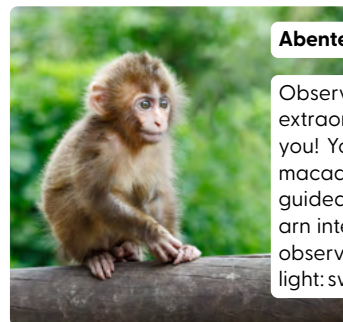

Adler Arena

The Adler Arena at Burg Landskron offers a spectacular flight show with Europe's unique bird of prey park. The goal of the 40-minute performance is to impart knowledge about the behavior and habits of these impressive animals.

Ossiachersee Schifffahrt

Explore Carinthia's most diverse lake with the ships of Ossiach. Take in the breathtaking panorama of Lake Ossiach as the crew treats you to delicious ice cream creations, coffee, and other treats. The ships will take you to all the highlights around the lake.

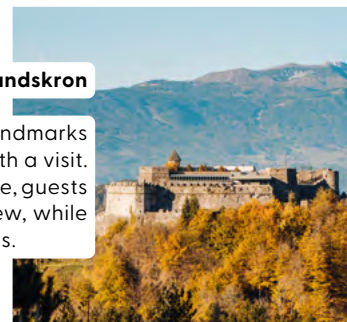

Abenteuer Affenberg

Observe monkeys, like in the wild: here, an extraordinary animal experience awaits you! You are in the midst of 180 Japanese macaques, without any barriers. During a guided tour (approx. 45 minutes), you will learn interesting facts about the animals and observe them in their natural habitat. A highlight: swimming monkeys.

Familywald

The nature adventure park in the beech forest, spanning over 30,000 m², offers unforgettable experiences for all ages. A forest roller coaster, Treenets adventures, and over 150 climbing challenges (including 4 new courses and a new Flying Fox course) are waiting to be explored.

Burg Landskron

Burg Landskron is one of the landmarks around the lake and always worth a visit. From the café's panoramic terrace, guests are treated to a breathtaking view, while enjoying hearty, traditional dishes.
